RE: Sesha Phani Raga Durga Alekhya Settipalli (Student ID#8315426)

Date of Birth: 1993-08-07

To Whom It May Concern:

This is to confirm that the above named student has been accepted into a program where a select number of co-op seats may be available in future semester.

Acceptance to the co-op stream of the program is based on the student's grade point average and availability of seats within the program. Should the student be awarded a place in the co-op program in a future semester, work term(s) are an integral part of the program. The work term(s) is related to the student's program of study and must be completed in order to graduate. A place in the co-op program is not guaranteed and may not align with the student's semester start date/intake.

Due to work permit processing times and tight timelines upon acceptance into the co-op stream, a co-op work permit is required at this time to meet the above requirement should the opportunity for the student become available.

PROGRAM NAME: Big Data Solution Architecture

PROGRAM START DATE: 2019-09-03

PROGRAM COMPLETION DATE: 2020-04-24

NUMBER OF WORK TERMS: 1

TOTAL NUMBER OF HOURS: 420

Advanced Standing/Credit Transfer

If you wish to have consideration for advanced standing/credit transfer based on your previous studies, you must begin the process after you receive your letter of acceptance and BEFORE you arrive in Canada. Review for Advanced Standing/Credit Transfer cannot be done during the start of a new semester. Individual credit transfers may be requested if you believe you have completed an equivalent course (or more) at another post-secondary institution.

To request a credit transfer, please submit the following three components:

1. **Completed [Credit Transfer Request Form](#)**
2. **An official transcript from your previous post-secondary institution(s)**
Note: Transcripts must be in an envelope sealed by the sending institution. Opened copies, as well as those that have been photocopied/printed/scanned, cannot be accepted.
International transcripts must be formally assessed by an agency like ICAS or WES; we would require an official copy of the assessment.
3. **Course outline(s) for the course(s) you previously completed and are using as the basis for exemption.**
Note: Course outlines must include: course title, number/code, description, learning objectives, topics covered, textbook(s) used, assignments, evaluation scheme, etc. The outline should reflect the semester in which you successfully completed the course. (ie. Same Academic year)

Requests are forwarded to the Academic Team for review and students are notified of the decision(s) through email.

The Credit Transfer Request Form and corresponding outlines may be submitted via [email](#). If you do not have an official, sealed transcript (as described above), please request your previous institution(s) to mail one to:

Please review the [Advanced Standing and Credit Transfer Policy](#); <http://www.conestogac.on.ca/credit-transfer/transfer.jsp>
